

## Jeff Baumrucker Memorial Scholarship Application

The Jeff Baumrucker Memorial Scholarship honors the memory of a loving father, devoted husband and generous dentist. Dr . Baumrucker was dedicated to helping people achieve their best smile possible – many patients loved coming to visit his practice. His adventurous and giving spirit lead him to support the efforts of Climb For a Cause and through that support many young children received desperately needed dental care. Jeff Baumrucker was a friend to many and an inspiration to all – those who knew him will miss him always.

Thank you for applying for the Jeff Baumrucker Memorial Scholarship.

Each year the scholarship is awarded to a deserving third or fourth year dental student, allowing them the opportunity to gain real world dental experience during a SmileTree™/Climb For A Cause™ sponsored oral health education and treatment project. Recipients will join Global Dental Relief on one of the projects held annually in Guatemala. Applicants must possess a valid Passport prior to date of departure, and be available for the full term of the SmileTree™ sponsored health project. Applicants must also provide verification of GPA and two letters of recommendation from college professors. Please return completed applications no later than 6-30-14 to:
